Rules are as follows

- Each team is made up of three (3) or four (4) players
- Each player on each team hit from the teebox, then the team members choose the best of the three or four shots for the next shot. All team members then play the second shot from that location, and again choose the best shot. Play continues in this manner until the hole is completed. The team then records its gross score and maintains that format for all 12 holes.
- Teams must record their gross score on each hole (low player responsible for the card)
- Each team will have the scramble allowance deducted from their gross score to determine the winner.
